Dear Friend,

We are wrapping up a fabulous season Keeping Charlevoix Beautiful and need your help to plan and grow in 2023!

We hope you've enjoyed the view down Bridge Street - the curbs lined with baskets bursting with brilliant petunias! With so much positive feedback about the hanging baskets, we would love to continue lining the north and south sides of our beautiful city with these gorgeous flowers...but we need your support!

With your help, Keep Charlevoix Beautiful will purchase and maintain these baskets.

In 2022, Keep Charlevoix Beautiful provided 300 hanging baskets, adding 50 new baskets along Bridge Street north and south of the drawbridge.

The team is watering and fertilizing in-house again this year and will utilize three sidewalk watering rigs to keep the blooms popping and the man hours to a minimum. This approach allows the baskets to flourish until mid September.

As a donor, we are reaching out to you to help us get back to our roots by generating funds to purchase plants and maintain those we already have. We have baskets for sale and opportunities to invest in our future. Basket donors have the opportunity to provide three lines of personal inscription to be engraved on the plaque of the supporting pole, and donors can request specific pole locations as available.
